A12 and A1094 Friday Street Temporary Nighttime Road Closure

Dear Resident,

I am writing to you to inform you of the current need for a temporary nighttime closure of the A12 Main Road and A1094 Friday Street to undertake works to support the delivery of the Friday Street roundabout. The works involve the installation of a lane guard and drainage crossings on the carriageway. The work will be split into phases with a closure of A12 and A1094 from 31 August to 3 September, and then a closure of just the A1094 from 4 to 7 September. As a result of Sizewell C implementing traffic management at Friday Street and to avoid traffic routeing along Kettles Lane, we have also been requested to close Kettles Lane to the north of the residential properties until the works are completed.

There will be a diversion in place and access to property will be maintained during the temporary closure. The details of the full extent of the temporary road closure are as follows:

Phase	Closure	Time	Dates
Phase 1	A12, A1094 and Kettles Lane	20:00 to 05:00	31 August to 3 September
Phase 2	A1094 and Kettles Lane	20:00 to 05:00	4 to 7 September
Phase 3	Kettles Lane	Full Closure	September to Q2 2026

A12 Diversion: A1145, A146, A143, A140, A14 and vice versa.

A1094 Southbound Diversion: A1152, B1069 and vice versa

A1094 Northbound Diversion: B1069, B1122 and vice versa.

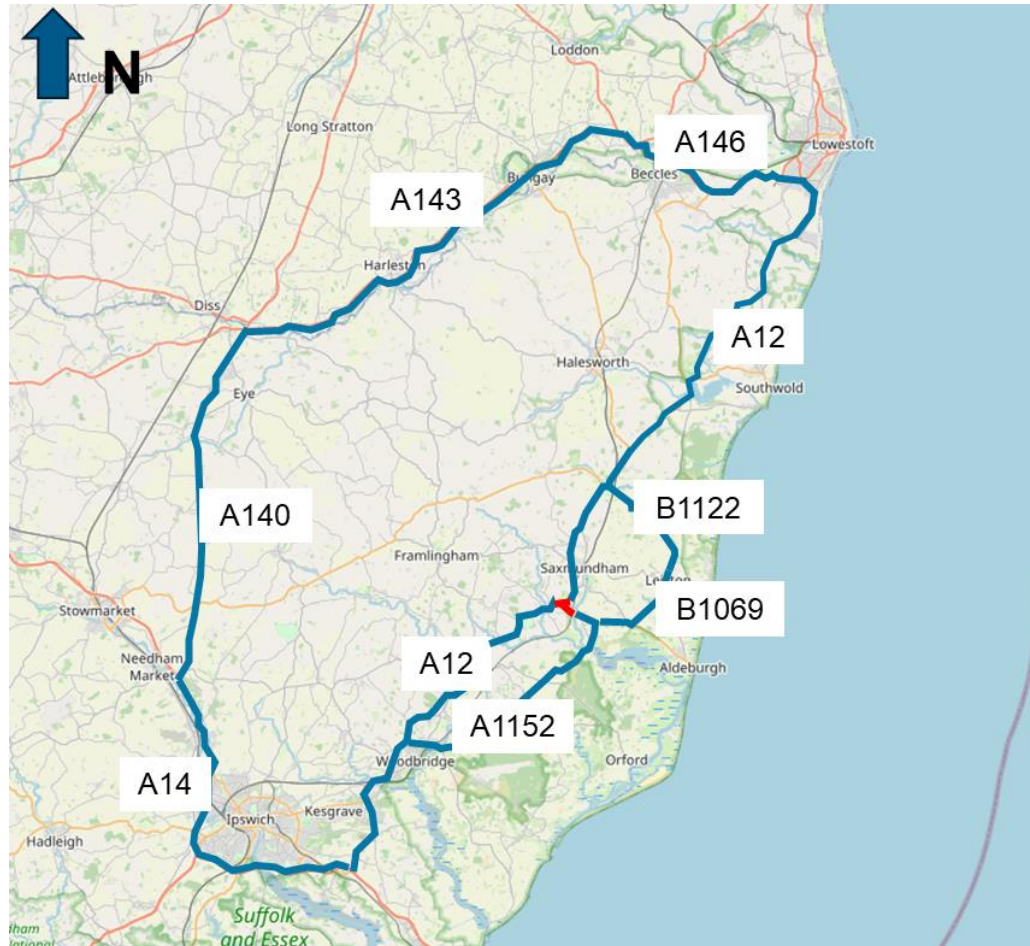

SZC have planned these works to avoid disruption as much as possible, but we are aware that there may be some disruption and inconvenience for you. We are sorry that this may affect your journey times and will be working hard to ensure the work happens as swiftly and efficiently as possible. For the latest updates on these works, including diversion routes, please see the Sizewell C Works Tracker here: www.szcworkstracker.co.uk.
